Departmental Leadership

Teaching and Learning in MFL

Current Leadership Responsibilities

My current role is Head of MFL at a Catholic High school located in North Manchester.

A significant number of our pupils excel, and are passionate about languages and this is evident in the attainment of GCSE French and Spanish qualifications in summer 2018 (33% 9-7 grades GCSE Spanish and 31% 9-7 grades GCSE French).

We have enthusiastic and dedicated learners who make excellent progress and achieve top grades thanks to effective policies and a positive, supportive and motivational team of teachers.

This was recognised by our most recent Ofsted report who stated that:
'In modern foreign languages inspectors saw pupils making very strong progress, because of high-quality teaching'.
