

Inspire a generation...

PEN PORTRAIT

Specialist Leader of Education

Name of SLE: Kiran Kasbia
School Name: Sacred Heart RC Primary School
SLE Specialism(s): Science and English
Teaching School Alliance: Heart TSA

Area(s) of Expertise

- Science
- English
- Research projects (SEERIH) currently taking part in the SEERIH Research Group focussing on child led learning
- Although I don't lead maths in school, I have trialled a number of new and innovative resources, methods and approaches of teaching maths to develop critical thinking
- The current Heart TSA students have been asked to use my delivery of maths lessons as a base for their planning to ensure there is progression and high quality maths lessons are taught

Current Leadership Responsibilities

- English subject leader- (mainly KS1 writing and reading)
- Science subject leader - focussing on assessment and working scientifically throughout the school
