PEN PORTRAIT

Specialist Leader of Education

Name of SLE:	Lucy Mulhall
School Name:	St Christopher's RC Primary, Ashton-under-Lyne
SLE Specialism(s)	Teaching and Learning; Curriculum; Developing Middle Leaders; Assessment
Teaching School Alliance:	Heart TSA

Area(s) of Expertise

I have over seventeen years of teaching experience and have taught in schools in Stockport, Manchester and Tameside. I have been in Senior Leadership roles for over eleven years and worked with four Senior Leadership Teams. During this time I have had many roles which have included: Science Lead; PE and Out Of Hours Learning Lead; Creative Curriculum Lead; Assessment Lead; Religious Education Lead; SENCo; NQT Mentor; Key Stage 2 Leader; Nursery teacher; TA Line Manager; Curriculum Leader and Deputy Headteacher.

I have led on changes and developments in different curriculum areas and have developed many NQTs and inexperienced teachers into successful Middle Leaders. At St Christopher's RC Primary, we currently have five teachers in post, who have completed their NQT year with us.

Consistency, monitoring and evaluating are key for a school to work effectively. I have implemented many systems and procedures to ensure this.

Current Leadership Responsibilities

Religious Education
Assessment
Curriculum
NQT Mentor
TA Line Manager

St Christopher's RC Primary is an outstanding Primary School that achieves outstanding results for reading, writing and maths at the end of Key Stage 2. We are in the top 10% in the country and always achieve higher than national for Greater Depth.

I am responsible for ensuring progress, high standards and a high quality of education across the school.
