

Learning Project WEEK 3: Easter	
Age Range: Year 1	
Weekly Maths Tasks (Aim to do 1 per day)	Weekly Reading Tasks (Aim to do 1 per day)
Power Maths Tasks (posted on Facebook) – • Weight and volume lesson 2 • Weight and volume lesson 3 • Weight and volume lesson 4 • Working on School Jam - your child will have an individual login to access this. • Play on Daily 10 - play levels 1 or 2 to practise adding and subtracting. • Practise counting in 2s, 5s and 10s. This game could support this. • On a calendar (here is an online calendar if needed) go through and write down when different family members birthdays are or when special events are happening in your family. • Practise telling the time in words. This could be done through this game (scroll down to access the game). Read to the hour and half hour • Choose and write the name of a 3D shape of your choice. List how many edges, vertices and faces it has.	• Find a book where you can see the characters celebrating. Is it a birthday? Can you read the book to someone over the phone? • Read the story Kipper's Birthday. Discuss how it may be similar or the same to your birthday celebration. • Create a celebration book with your family. Can you add sound buttons onto the words? • Read a poem about a celebration you have had or looking forward to celebrating with your family. Use Purple Mash to create an Easter poem. • http://en.childrenslibrary.org/ https://www.storylineonline.net/ https://openlibrary.org/ https://www.freebooks-app.com/ https://www.barnesandnoble.com/b/free-ebooks/nook-books/kids/_/N-ry0Z8qaZtu1 http://mrsp.com/
Weekly Phonics/Spellings Tasks (Aim to do 1 per day)	Weekly Writing Tasks (Aim to do 1 per day)
• Daily phonics - your child to practice their sounds and blend words. Interactive games found on link below. • Phonics play Username:march20 Password:home • Top Marks • Spelling • Spell the days of the week • Spell common exception words • Spelling City	• Write an invitation for a celebration. This could be a birthday party, Easter celebration etc. This can be made on Purple Mash. • Create a list of all of the celebration days they can recall and write a sentence about what they remember about each. • Invent a story involving a celebration. They could write it out or make a story map. Encourage your child to use story language. • Create an Easter card for someone in your family or a neighbour. Try and add a rhyming poem in the middle. • Write a menu for your Easter Lunch
RE: Come and See	

Learning Focus 6

https://www.youtube.com/watch?v=xe50_LaJgWE

Write a postcard to your friend as if you were Mary Magdalene who went to the tomb. What happened? What did you see? How did it make you feel?

Respond – Easter Day!

How did you celebrate Easter Day? Draw a picture to share with your family and friends.

Learning Project - to be done throughout the week: Celebrations/Easter

This project this week aims to provide opportunities for your child to learn more about celebrations. Learning may focus on different types of celebrations that take place and who may celebrate them. It could look at how people celebrate different events differently in other parts of the world.

What does celebration mean to you ?

Watch with your child. Make an A-Z list of celebrations around the world. How many can they find? What have they celebrated this year with their friends and family? Can they remember celebrating their birthday? How did they celebrate their birthday? Could they draw a picture of their special celebration? Can they interview a family member about their favourite celebration? What did they do? Who can they remember?

Bake a cake: Weigh out the ingredients and bake a cake for a celebration. Can they write the instructions and send them to a friend? Can they tweet their school with a photo of their cake and instructions?

Design a celebration party: Ask your child to choose a celebration. Who would they invite? Get them to make a list of things they will need? (banners, balloons etc...) Would they have to have a dress code? Can they design a celebration invite? On a piece of paper can they think about the colours and pictures they may have.

Months:

Can your child name the months in order? What do they notice about them? (Look at the letters at the beginning of the month.) Can they think of a celebration for each month they may have with their family? Find out when it's people's birthdays or anniversaries. Which month has the most celebrations?

Think about Easter celebrations: What do we do at Easter time? Could they make an Easter card for a friend at school?

Have they ever taken part in an 'Egg and Spoon Race'?

Find four friends or family members to take part. (The rule is to balance an egg or similarly shaped item upon a spoon and race with it to the finishing line) You can decide on the prize: it could be an Easter Egg or a day of wearing PJs all day!

Traditional celebration: Talk to an adult and ask about any traditional celebrations you may have as a family. Why do you celebrate them? How do you celebrate them and when? Do you have to wear different clothes and eat different food?

Gather the family and sing the song 'Celebration': Can you add actions to the dance? Could you have a concert and perform to your family and friends?

Additional learning resources parents may wish to engage with

Classroom Secrets Learning Packs - These packs are split into different year groups and include activities linked to reading, writing, maths and practical ideas you can do around the home.

Twinkl - to access these resources click on the link and sign up using your own email address and creating your own password. Use the offer code UKTWINKLHELPS.

Headteacherchat - This is a blog that has links to various learning platforms. Lots of these are free to access.

<https://whiterosemaths.com/> - Keep an eye out here for more ideas for Maths.

Additional Year 1 phonics support can be found here:
