11th January 2020

Dear Parents and carers,

I am writing this letter to follow up the information you have received on Monday 4th January which outlined the need for pupils of all year groups to work remotely until mid-February, unless they are children of key workers or vulnerable children.

This year, I have been given the opportunity to work with a number of children from each year group to provide further support for their reading development. To do this online, your child will be invited to join a new classroom, 'Mr Stubbs' Reading Group'. This is in addition to their own class.

A video to remind you how to log in to Google Classroom and access the Google Meet link can be found here:

Class Code: 36rlv26

Through this classroom, I will be providing two short reading comprehension exercises each week according to the timetable below. Also, from time to time, I will be arranging a live 'meet' to hear children read and give them a chance to talk with me about their learning. I will announce these sessions in the classroom feed on a Monday morning, normally giving at least a couple of days' notice prior to the meet.

This week's work will begin tomorrow, Tuesday 12th January 2020.

As always, I am available to help and assist yourself and your child to minimise any disruption. Please try and submit any work through the Google Classroom platform to assist us in having a central base to give feedback for any home learning.
