5<sup>th</sup> January 2020

Dear Parents and carers of Year 3 pupils,

I am writing this letter to follow up the information you have received on Monday 4<sup>th</sup> January which outlined the need for pupils of Year 3 to work remotely until mid-February unless they are children of key workers or vulnerable children.

As you are aware, for children who are at home, we are now switching our learning to Google Classroom and will look to ensure that we continue with our school timetable to the best of our ability. To support this, we have attached a timetable for your information for online learning which will begin from Wednesday 6<sup>th</sup> January 2020. Our year group bubble, who are working remotely, will meet each day on Google Meet at **9:15am**. A video to show you how to log in to Google Classroom and access the Google Meet link can be found here:

As always, we are available to help and assist yourself and your child to minimise any disruption.

Year 3 home learning timetable:

| <u>Day</u> | <u>Registration</u> | <u>Subject</u> | <u>Subject</u> | <u>Subject</u> | <u>Subject</u> |
|------------|---------------------|----------------|----------------|----------------|----------------|
| Monday     | 9:15 – 9:45am       | English        | Maths          | R.E.           | RHE            |
| Tuesday    | 9:15 – 9:45am       | R.E.           | Maths          | English        | Science        |
| Wednesday  | 9:15 – 9:45am       | English        | French         | P.E.           | Maths          |
| Thursday   | 9:15 – 9:45am       | R.E.           | Maths          | English        | Computing      |
| Friday     | 9:15 – 9:45am       | English        | Maths          | History        | Geography      |

Please only complete what you think is manageable in this difficult circumstances. Daily registration will be used to give an overview to the day's learning and allow for any questions if you are struggling to access resources or finding some learning tricky.

Some recorded lessons may be available for children at various times during the week. There may be live lessons to cover new concepts or misconceptions but this will be done at the teacher's discretion based on what they deem appropriate.

Any work submitted can be done so via Google Classrooms. All set work that is done through Google Classrooms will have a blank word document to type your work. If you do wish to do work on paper this needs to be photographed and sent in via Google Classrooms as evidence. Parents/Children may use the 'comment' section of the word document before it is turned in to leave a message if there is a part of the lesson that is tricky. The teacher will give feedback to all work submitted at least once a week. All work must be sent in via google classrooms rather than through email to the school office or on the school Facebook page. Any other queries related to teaching and learning can be dealt with on Google Classrooms also.

Please be assured that everyone at Sacred Heart is doing the best we can during these challenging times and we are committed to supporting your child's wellbeing and education.

Yours sincerely,

Mr and Mrs. Clarke
