WORLD BOOK DAY: Thursday 4th of March is World Book Day and children both at home and in school will be invited to dress up. This year, there will be no theme and children can dress as their favourite book character. More book related fun is planned for the day!

FAIRTRADE: Today sees the start of Fairtrade Fortnight. For a number of years we have been a FairAchiever school and this year is no different. Unfortunately we cannot currently run the Fairtrade stall as we would usually do but we will be looking at this year's theme in the classroom and at home on how we can create the world that we want.

Look out for some exciting lessons planned by your teachers either in school or online. We will be celebrating your work in school at the end of our fortnight and cannot wait to see what you come up with to make positive choices for our world.

As Pope Francis says:

"Don't be afraid to dream great things"

What can we do to make our dreams a reality this Fairtrade Fortnight? We look forward to seeing all your amazing work

LOVE ONE ANOTHER

READING BOOKS: Each Monday, we change our reading books in school and we sign the reading records. As many of us are working remotely at the moment, we would like children to send in photographs of their red reading records that shows which books they've been enjoying at home. If they don't have their reading record at home, we have attached an electronic version to the Google Classroom page. We have also issued a reminder of the log in details for Oxford Owl so that children can access our school reading books from home.

Children may have other books at home that they are enjoying reading at the moment too and that is absolutely fine. Please document it in the reading record in the same way. If you have any problems accessing our online books, please contact the class teacher during registration or the daily 'drop in' time. Thank you

YEAR 6 DT PROJECT: Year 6 are currently in need of donations of material for their Design and Technology project after half term where they will be creating Shakespearian costumes for characters from Romeo and Juliet.

PLEASE SEND IN PHOTOGRAPHS OF CHILDREN'S HOME LEARNING: We are creating a whole-school celebration display in the main hall with your images so that we may recognise all of the children's achievements and efforts during this lockdown. We will share it with you when it is finished. Please send your photographs to the school inbox. Thank you.

RETURN TO SCHOOL: As announced this week, we expect all pupils will be able to return to school on Monday 8th March following the government directives. Our wraparound care clubs will be resuming from this date also.
