Cashless Payments via SIMS Pay

Dear Parents,

We are delighted to announce that we are currently in the process of transitioning to a cashless payment system, which will be launched from September 2021.

We will be utilising the SIMS Pay software to allow parents to pay for all products and services including school meals, trips, wraparound care facilities etc.

Over the next few weeks please look out for an email from SIMS Pay that will allow you to complete the registration process for your child. Please follow this link (<https://bit.ly/3wsVfSK>) for a guide on this registration process (Please do not select the SIMS option when registering). This link (<https://bit.ly/3jUwPz1>) may also be useful as it contains other resources that explain the processes and functions of SIMS Pay.

We will notify families when the link is to be issued.

The online facility will provide families with easy and secure access when making any payments into school.

Please can we advise that logins and passwords that are set by parents are unable to be reset at school level. For this reason, we ask that extra care is taken at the registration stage.

Yours Sincerely,

Main Office.

LOVE ONE ANOTHER
