Hand Puppets

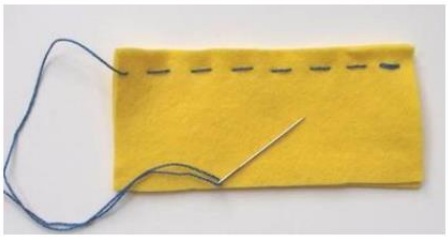

Design brief

To design, make and evaluate a hand puppet for Y2 children to use in a class puppet show that will be performed to another class. Your hand puppet should be measured and fit the wearers hand accurately.

Skills

Design

- I can think of ideas and plan what to do next.
- I can add a specific design to my product.
- I can design a product for others following design brief.
- I can describe my design by using pictures, diagrams and words.
- I can explain what I am making and why my target audience will like it.

Make

- I can choose the best tools and materials.
- I can give a reason why these are the best tools or materials.
- I can join things (materials/components) together in different ways.
- I can make a make a product that looks like my plan.
- I can produce a finished product.

Evaluate

- I can describe what went well with my work and what I would do differently if I did it again.
- I can judge my work against the design brief.
