

Dear Year 6 parents and guardians,

The numbers and balance for the leavers event need to be finalised ASAP. This has forced me to introduce a deadline for all deposits to be paid before Friday 6th May.

I can only accept numbers on receipt of payment not requests for tickets. All tickets need a £5 deposit paid in cash (secured in an enveloped with the child's name on the front), PayPal transfers to rebeccamhalliday@hotmail.co.uk or bank transfers to Emma.

Account name: EMMA MCINERNEY

Sort Code: 16-24-28

Account number: 10077542

If you send any money electronically please could you let Emma or myself know as it will not be regularly checked.

Above is my email address, my mobile number is 07776476472 and there is also the year six messenger group for any contact needed.

If any parents are struggling to fund this then there is an option to contact school in confidence to access tickets free of charge.

The event will cater for everyone confirmed and it has been selected by parents at the first meeting that the menu shall be bacon or sausage butties (50/50 split) and chips. A vegetarian option is available but I will need to know this in advance. If anyone has any dietary requirements that you wish to be catered for then please get in touch before Friday 6th May.

If anyone still wishes to sponsor the event then again I will need cash conformation before Friday 6th May.

Fundraising is becoming difficult and it has been decided that each family needs to raise £20 to meet the target. We have decided to hold a fundraising event on Sunday 22nd May 2022, any children or families that wish to get involved in this then details will follow in the messenger group nearer the time. Sponsor forms can be emailed to parents too. Alternatively you can avoid having to get involved in any fundraising and just send the £20 in the usual manner make sure you identify the child/family it is from.

Any questions get in touch.

Thank you
