National Tutoring Programme

Dear Parent,

As part of the national Covid Recovery Plan for learning, we are able to access tutoring for small groups of children in school. We would like to offer this exciting opportunity for your child as we feel that he/she would benefit from this. This will be completely free of charge to you and will be delivered by our teachers in school that already know your child well and their learning needs.

We are planning to have three children working together with a teacher after normal school hours. This will be 3.40-4.40pm on 1 day a week for 15 weeks. **These sessions are due to start from the week beginning 16th January, with your child due to attend each Monday.** Your child's class teacher will work closely with the tutor to target learning in specific areas in either Maths or English.

There will be an opportunity for a short break and a snack at the end of the school day followed by an hour of tutoring. We must stress that full attendance is required for the full 15 weeks as there is a cost to school for this tuition, and the programme funding cannot be transferred to another pupil once started. Please complete this google form to confirm your child is attending these sessions on the above agreed day: <http://bit.ly/3hOn3Qd>.

Yours sincerely,

Mrs Sophie Bridge.

Deputy Head teacher.

LOVE ONE ANOTHER
