

Online Safety: Staff Briefing

Summer 2023

This is a termly staff briefing produced by Knowsley CLCS, it is designed to update school practitioners with some of the latest research and resources to support the delivery of online safety in schools.

Keeping children safe in education 2023

Whilst the 2022 version of the guidance is currently in force, the 2023 version is available to view now (will come into force on 1 September 2023).

Safeguarding in education webinar: 2023 update

NSPCC Learning is running four half-day webinars in September on the latest education safeguarding legislation and guidance. You can find out more about this webinar here:

<https://learning.nspcc.org.uk/news/events/schools-safeguarding-update>

Connect with respect KS2 SEND

This is a new resource from Childnet that includes stories for keeping children aged 7-11 years old with SEND safe online. It also includes educators guidance:

<https://www.childnet.com/resources/connect-with-respect-send/>

The TikTok Playbook from Internet Matters

Internet Matters have created a safeguarding guide to help teachers recognise potential safeguarding issues and help you to understand TikTok's latest privacy and security features. The Playbook can be accessed here:

<https://www.internetmatters.org/tiktok-playbook/>

Meeting digital and technology standards

This guidance was updated in March 2023. Did you know that the DSL should take lead responsibility for safeguarding and online safety, which could include overseeing and acting on:

- filtering and monitoring reports
- safeguarding concerns
- checks to filtering and monitoring systems
