Year 1 Design and Technology Project

Dear parents and carers,

As part of the Year 1 Design and Technology curriculum, children will be designing and making their own rockets, which they will launch in school using our rocket launcher!

To ensure this project runs smoothly, we are asking for donations of empty, litre, plastic bottles (for example large water bottles, fizzy drink bottles, or bottles of squash).

Please hand these into your child's class teacher.

Yours Sincerely,

The Year 1 team.

LOVE ONE ANOTHER
