In January 2026, in the first week of Ordinary Time, each class made pledges to show love in action in our school, local community and further afield.

Everyone is trying to be a missionary disciple, influencer of others and future saint!

6BT

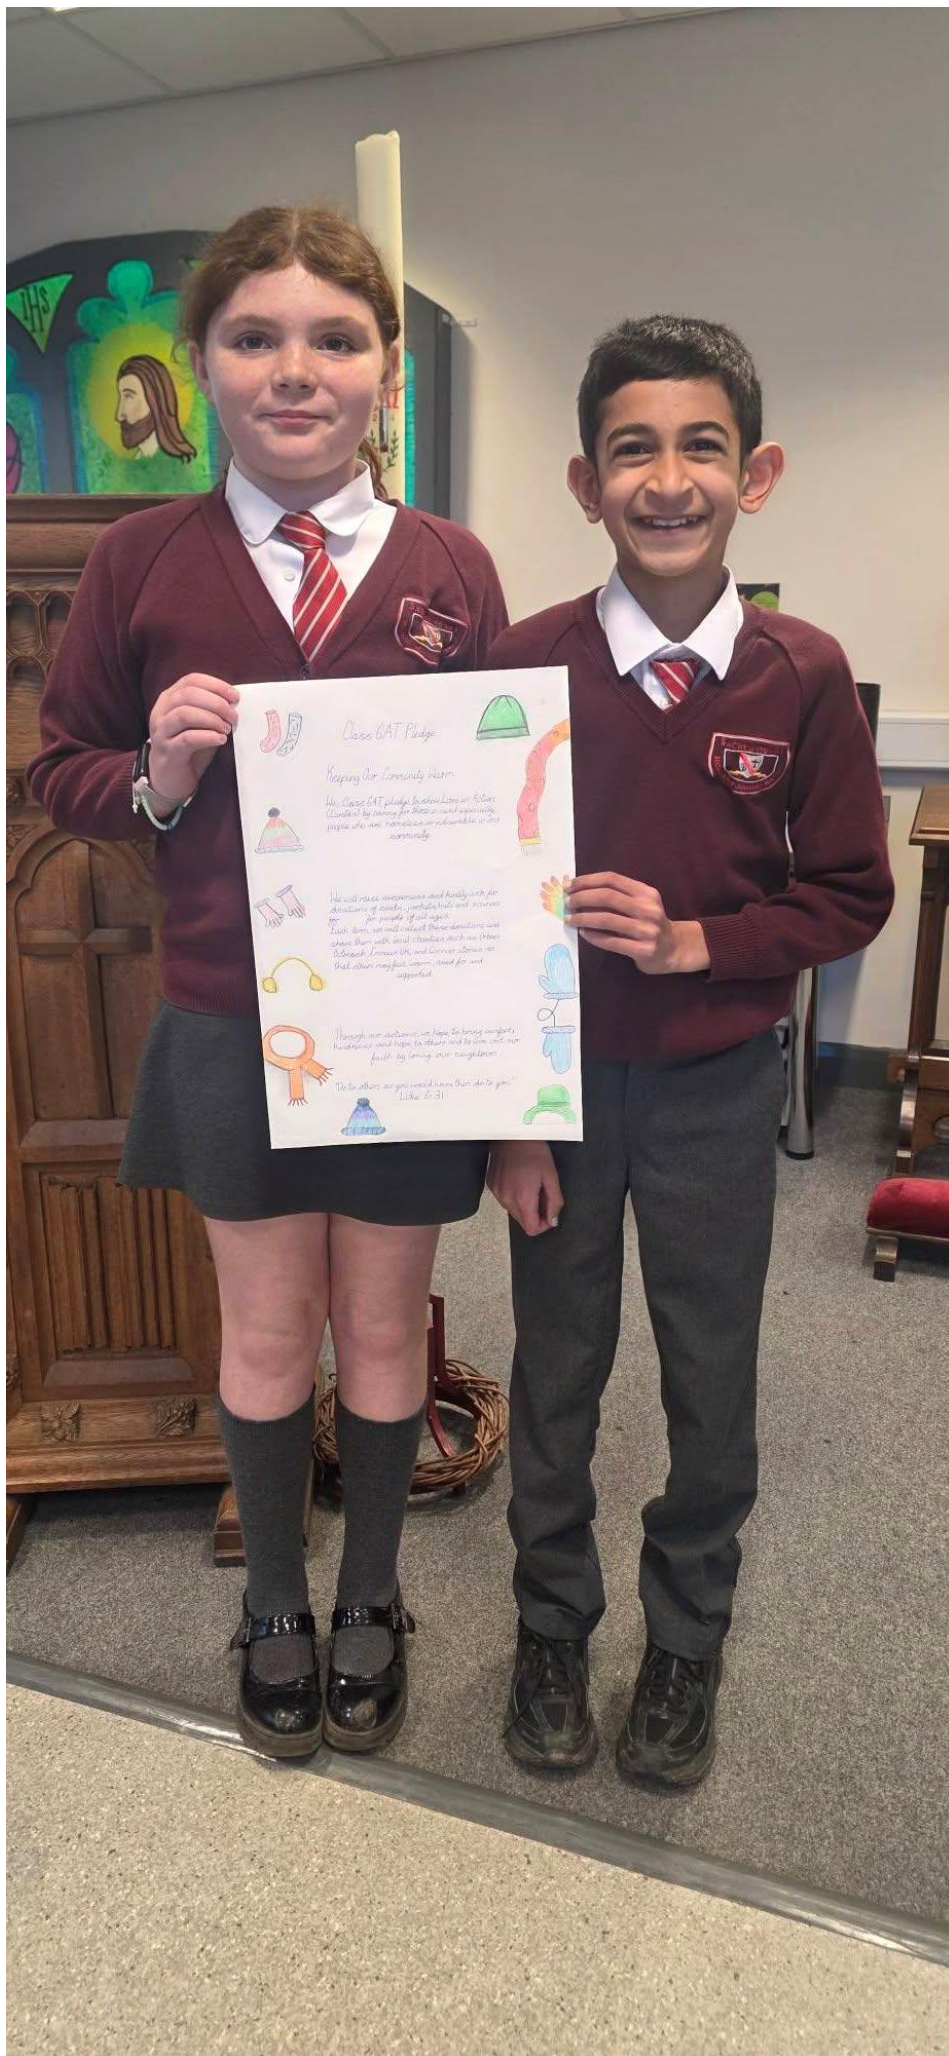

6BT Community Harvest Pledge

We pledge ourselves to serve our neighbours in need by planting, tending and harvesting fresh fruit and vegetables to share freely with our local foodbanks.

We also pledge to write and share simple, culturally respectful recipe cards to accompany the produce, empowering recipients to prepare healthy meals with confidence and joy.

With prayerful hearts and willing hands, we pledge to sow hope, harvest nourishment and build a more just and loving community where all are fed in body and spirit.

6AT

Class 6AT Pledge

Keeping Our Community Warm

We, Class 6AT, pledge to show Love in Action (Caritas) by caring for those in need especially, people who are homeless or vulnerable in our community.

We will raise awareness and kindly ask for donations of coats, jackets, hats and scarves for people of all ages.

Each term, we will collect these donations and share them with local charities such as Urban Outreach, Emmaus UK, and Cornerstones so that others may feel warm, cared for and supported.

Through our actions, we hope to bring comfort, kindness and hope to others and to live out our faith by loving our neighbours.

"Do to others as you would have them do to you."
Luke 6:31
